Ahrex Nordic Salt Classic Streamer Hook

NS118

Sizes 4, 6, 8, 10

4X Long Classic Streamer hook. The hook we all started tying on and which a lot of us still love. The long shank works very well for longer slimmer saltwater flies. Black Nickel Finish Chemically sharpened small barb.
per pkg. of 18 hooks

Ahrex Nordic Salt Curved Gammerus Hook

NS172

Sizes 2, 4, 6, 8, 10, 12

Curved hook specifically designed for Gammerus Patterns. The lightweight wire allows the flies tied on this hook to be fished in shallow waters. If you want to add weight, it's easily done without ruining the hooking capabilities, due to a large hook gape. Black Nickel Finish Chemically sharpened small barb.

per pkg. of 18 hooks

Hare'e Wiggle Dub™
HW

If you want some movement in your flies you must try this dubbing. Ideally used in a dubbing loop. For tied down wiggle material try using the Wishbone Cutter/Bodkin and it will only cut fibers that have tension on it not loose material that scissors would cut through.

**Chocklett's Body Wrap
CBW**

New material in dyed colors, Game Changer redefined. Stitched on both ends so you render more flies per pack. You can trim at an angle to achieve a taper as you wind. The left over trimmed piece is useable for another segment or fly.

"Game Changers have never been so easy to make! No more gaps between the segments. Best of all the design of the material allows for the body of the fly to be tied thicker. In turn making the fly swim better in the water. In simple terms Hareline just changed the game on the Game Changer, twice as easy to make! Enjoy folks!"
